Bee Hive, first lifestyle mall in Muang Thong Thani, is coming soon

Bee Hive, the first lifestyle mall in Muang Thong Thani developed by Bangkok Land with a prime location on Bond Street, is expected to be completed and ready to fulfill all your lifestyle needs and passion for shopping in early July this year.

Mr. Peter Kanjanapas, Managing Director of Bangkok Land, said “I’m glad that all 97 units on 897 sqm. are nearly 100% booked and have contracts signed. We spent some 800 million Baht in developing this special lifestyle mall to meet the growing needs of the 300,000 residents currently living in Muang Thong Thani as well as businesses including the major banks and offices in the area. The mall will also meet the needs of the growing number of visitors to IMPACT which now exceeds 15 million per year.”

“The architectural design used for the low rise 2-storey building is based on a honeycomb pattern with an open and modern look that lends itself well to the local area. So far, the 1,000-square-meter Tops Supermarket is already opened as well as other well-known brand name stores such as Mc Jean, retail shops and the anchor tenant. To extend every convenience possible for the customers, **Bee Hive** will provide 600 parking spaces, both indoor and outdoor,” **Mr. Peter** added.
